

## **AFSCME Retirees' Subchapter 161 July 2021**

### **Executive Board Meeting Minutes**

The July 14, 2021 meeting was called to order at 12:35 p.m. John, Tony, Diane, Ron, Jesse, Dave and MacArthur were the executive board members present. Diane presided.

Diane said we have to do an audit before September, when an election will be held, because Pat won't be in office as trustee after that.

Norma reported on the June 27 Council 31 meeting, and said the convention will be held October 13, and that executive board meetings would be held in person starting in September.

Tony read the minutes. John moved that the minutes be accepted. The motion was seconded and passed.

Diane spoke on the SERS election. John Tilden won by 55% of the vote.

John gave the communication committee report, and said that we signed in on an IPAD, and that the committee should hold a revised meeting on how to use a smartphone in October or November, separate from the membership meeting.

Diane said she would try to get a speaker on Medicare.

The meeting was adjourned at 2:10 p.m.
